Game Console Sell - Terms & Conditions

By submitting your console for sale through our platform, you agree to the following terms and conditions:

1. The console should be in working condition and not repaired or modified internally.

2. We do not accept PS2 Fat and PS3 Fat models under any circumstances.

3. Pricing is estimated based on your model, condition, and verification. Final value will be decided after warehouse quality check.

4. You must share all required console images (from all sides) and packaging images on WhatsApp.

5. Pickup will be arranged at no extra cost, but if the product is not as described, we reserve the right to return it.

6. Payment will be issued only after successful inspection and acceptance of the console.

7. False information or damage not disclosed in advance may result in return without any payment.

8. Your personal details (name, number, address) are used strictly for pickup coordination and will not be shared externally.

9. If pickup service is not available in your area, you will need to courier the console yourself.
   - In such case, we will reimburse courier charges (Rs.100 to Rs.500) in the final payment.
   - You must use a reliable courier and ensure proper packaging.

10. If the console is rejected during quality check, we will return it to you free of charge.

11. Any damage, breakage, or loss during transit will be the responsibility of the customer.
   - Therefore, proper and secure packaging is mandatory.
   - You must share packaging photos and/or video before sending.
   - We will also record photos and video while unboxing your parcel to verify condition upon arrival.
